

I ♥ 305 Collage

What do you love about Miami?

The experience of living in Miami is of course different for everyone, but there are aspects of life here that create a sense of home and connect those who live here to the region and to their neighbors. Some of the more distinctive characteristics that set Miami apart may be its multiculturalism, cuisine, music, art, and natural environment. In a city with an ever-changing landscape, the people who call Miami home maintain the steady heartbeat of the city and continue to make Miami, Miami.
